

IMPROVEMENTS MAY BE DEAYED TO BE FEATURE TO BE FEATURE

Brigham Street May Not Be Paved For A Year.

Five Hundred Are Expected For Roosevelt Parade.

PROPERTY OWNERS DISAGREE COMMITTEE TALKS OF PLANS

COUNCIL COMMITTEE SUGGESTS NO ACTION UNTIL 1904.

TAKES STEPS TO AROUSE INTEREST IN OUTSIDE TOWNS.

The paving of Brigham street between State and Seventh East streets will be postponed until next year, if the recommendation to that effect, made by the finance committee of the city council, is adopted. The report of the committee on the petition of J. Wood et al. for the improvement of the thoroughfare, was as follows:

"After careful investigation and consideration, we find that among the property owners a great difference of opinion exists as to how the street should be paved, and a strong feeling exists to the effect that the street should not be paved; therefore we recommend that no action be taken until the plans for paving the street are fully matured, and that the said paving be postponed until next year."

The report contained the following recommendation relative to the construction of a reservoir in Parley's canyon:

Mill Tax For Water Purposes.

"We further recommend that when the tax levied for water purposes is less than last year, and one mill be added to the water department. With this and the surplus money received from the water taxes and part of the money derived from the sale of the old city hall corner, the city will be able to pay the debt on the water department, and by so doing it can be partly used next year for storing water. We believe that on account of the report of the growth of the city the pressing need is an increased water supply, and under plan of building a reservoir, the report completed in about two, or at most three, years, and without the issuance of any extra bonds."

"We also recommend that the city engineer be instructed, at the earliest possible date, to make a survey of the canyon, plans, specifications and estimates for a reservoir in Parley's canyon, that the work may be begun at once. Objection being made to the consideration of the report at last evening's session of the city council, it went over for one week under the rules. A motion was adopted instructing the city engineer to make a survey of the canyon, and to report to the council as soon as possible."

Hamlin's Deposit Is Forfeited.

The committee to which was referred the bid and contract of A. L. Hamlin for the construction of a reservoir in Parley's park recommended that he be instructed to proceed with the work. Before any action was taken, however, a communication was received from the contractor, asking that he be relieved from the same, and that the deposit of \$200 be returned to him. The committee recommended that the deposit be returned to him, and that the contract be forfeited."

The committee also recommended that the deposit be returned to him, and that the contract be forfeited."

PROVING NEWS "Blood Will Tell" GET SUGAR FRANCHISE

Reed Smoot et al. Will Operate Electric Railway and Telephone System.

Provo, May 4.—At the meeting of the board of county commissioners held today the petition of Reed Smoot, Jesse Knight, C. E. Lous, George Haverkamp and S. H. Thurman for a franchise to construct and operate an electric railway and a telephone system for a period of fifty years was granted. This petition was granted some months ago for a period of twenty-five years, which was then time as long as the commissioners had power to grant it. The former routes and specifications are retained in the resolution passed today granting the franchise for the fifty-year period. The petition was presented by R. H. Thurman, agent and attorney for the petitioners.

The petition of James C. C. et al. asking for road in Lane, was read and referred to Commissioner Webb.

The resignation of Niels Johnson, justice of the peace at Sandburg, was accepted.

The petition of George C. Scott and others asking for the adjustment of the property rights of the former school districts now comprising Lincoln district No. 10 was referred to Commissioner Dunn, County Superintendent Brown and others.

The petition of George C. Scott and others asking for the adjustment of the property rights of the former school districts now comprising Lincoln district No. 10 was referred to Commissioner Dunn, County Superintendent Brown and others.

A corrupted person may deceive the public for a time, but when the blood is corrupted it always tells the truth—tells it by pale cheeks and wasted vitality; tells it by sores and skin eruptions; tells it by loss of energy and strength; tells it by every look and act.

THE BLOOD WILL NOT LIE

If it is thin and impoverished, it will show its pale cheeks, its dull eyes, its weak and sickly body, and it will say "Give me nourishment, for I am starving." If the blood has been corrupted by scrofula or any taint or poison, it shows the sores, scales, blotches and eruptions of the skin. You can't be well, you can't be good looking, you can't be happy UNLESS YOU HAVE GOOD, RICH, RED BLOOD. "Munyon's Blood Cure" and "Munyon's Liver Cure" not only make good blood, but will drive out every vestige of poison. The "Liver Cure" will put the liver into an active and healthy condition, so that the bile and impurities will be carried off and the bowels be made to move regularly. The "Liver Cure" will positively cure jaundice, biliousness, constipation and all forms of liver ailments. The "Blood Cure" will eradicate all diseases of the blood, and give life and energy to the whole body.

These remedies can be carried in the vest pocket, and if taken alternately during the day will soon clear up the complexion, heal sores, remove all eruptions and put the body in a healthy condition.

"MUNYON'S WITCH HAZEL SOAP"

Should be used in conjunction with the "Blood and Liver Cure." It soothes and heals sores, and allays all itching and skin irritations. It cures pimples, chapped hands, chafing and all skin diseases. It cures dandruff and prevents the hair from falling. It is, beyond all doubt, the finest soap for the toilet ever made. It will soften the roughest skin, and improve any complexion.
